

[Falls Church, Virginia] —On September 25, 2017, BMK Secure Solutions, LLC acquired Information Technology Solutions and Consulting, LLC (ITSC). The two Women Owned Small Businesses merged and became ITSC Secure Solutions.

“This has been a year of tremendous growth and change for BMK Secure Solutions. As a Co-Founder and CEO of BMK, I knew the time had come to take steps to expand our capabilities and saw a perfect fit in the acquisition of ITSC. With ITSC’s strong reputation for excellent work in the DOD community and their match to our Noble Purpose, it made this a great strategic move”. Stated Patricia Kee, President, ITSC Secure Solutions.

The ITSC Secure Solutions Leadership Philosophy and our Noble Purpose remain focused on consistent delivery of best value, employment of industry-leading talent and providing our customer with services which meet and even exceed their expectations. Our capabilities now encompass a full spectrum of Cradle to Grave, Requirements through Close Out Acquisition including; Air Force (AF) Space Offensive and Defensive Cyber/Cryptology, AF Space Requirements, AF Force Protection and Defense Health Agency (DHA) Contracts Support.

“Our transition would not have been successful without our tireless team of new and incumbent ITSC employees and our Mentor-Protege Team working together to ensure continuity of service to our customers as we grew from 15 to 140 employees located across CONUS and OCONUS”. Stated Ashley Kee, CEO, ITSC Secure Solutions.

ITSC Secure Solutions, LLC, formerly BMK Secure Solutions, was established in 2007 by Patricia Kee, Ashley Kee, and Judy Haberman to support the Department of Defense with Subject Matter Experts (SME) in Acquisitions Lifecycle Management. Upon Judy Haberman’s retirement from 33 years of dedicated government service she became a co-owner and the ITSC Senior SME of our first government contract award.

ITSC became the Chief of Configuration and Data Management across the ETASS I contract for the USAF’s Battle Management Program Executive Officer (PEO): Aerospace Landing Systems (DRAPCON and DILS programs specific), AWACS program, Force Protection, and the Cyber and Netcentric PEO as a subcontractor to Jacobs. ITSC supported the following Air Force contracts: Space A5, SAFTAS, ETASS I, ETASS II, PASS I, PASS II, and the RCO. We also support INTEL and NASA subcontracts.

In 2016 ITSC was awarded a DoD Mentor-Protégé (MP) Program Contract with the Missile Defense Agency (MDA) as a Protégé to Tec-Masters, Inc. ITSC has been an active member of the Armed Forces Communication and Electronics Association (AFCEA) since 2010 and of the AFCEA International Small Business Committee since 2016. Ms. Ashley Kee, CEO ITSC, is a recipient of the AFCEA International “40 Under 40” award. ITSC’s presence in the community includes: The Pillar Initiative, providing internships for Active Duty Military, Reservists, National

Guard, Veterans, Spouses, and college students affiliated with the U.S. Military to develop essential workplace skills and valuable experience; Science, Technology, Engineering, and Math (STEM): supporting STEM skill enhancing efforts through participation in various events to include AFCEA International STEM Innovation; Homes for our Troops: supporting this non-profit organization through community outreach fundraisers. ITSC is also an active member of Cyber Huntsville, the Air Force Association (AFA), National Defense Industrial Association (NDIA), and the National Contract Management Association (NCMA).

ITSC Secure Solutions is an award-winning Women Owned and Operated Small Business with over 10 years of experience providing secure engineering/scientific acquisitions across several disciplines: space, nuclear, medical, intel, and cyber program management to the Department of Defense and other Federal Agencies. ITSC's experience and knowledge of the customized contract management approach allows us to assist our customers in tailoring their acquisition strategy to meet their program requirements. ITSC has a proven track record of quality, performance, and commitment to our customers and to our people. *We don't just meet expectations we exceed them. We deliver results, on time and on budget.*

ITSC is ITAR Certified; ITSC is ISO 9001:2015 Certified.

ITSC's services are available on several government contracts including GSA Schedules: PSS, SeaPort-e, GWACS; AMCOM Express, Army RS3, DLA JETS, NITACC, 8(a) STARRS II, and VETS II.
